Candle Light For Empowerment CBO

Safe childhoods , Empowered futures

Purpose

To end violence against children, youth and women by advancing safeguarding, education, economic empowerment and SRHR by fostering safe, inclusive spaces where every child,youth and woman can grow, thrive and lead.

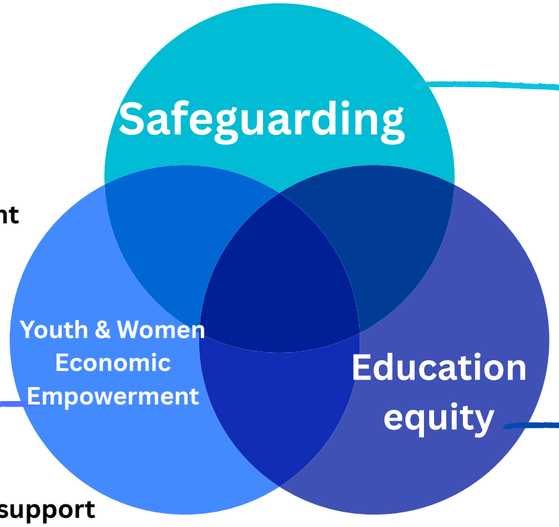

Our story

Candlelight was established to address widespread violence affecting children, youth and women in Kenya's coastal regions, including neglect, abuse, exploitation and harmful social norms in homes, schools and communities. Inspired by the founder Lillian Mamu's vision, Candlelight leads a bold, community-driven movement to prevent & eliminate all forms of violence and create safe, nurturing environments..
